The Chairman's Corner

July is here and it is warm and humid, so keep drinking and stay cool! The big holiday this month is the 4th of July when we celebrate the creation of our nation! Do celebrate but be careful with all those fireworks and stay safe. Also, take a moment and give thanks for our nation and what it stands for in the world. We all have great influence in our daily lives by our actions and our words, so remember who we are as a nation and stand up for it. Also, give thanks for our community of Sterling. It's a great small village to raise a family or retire in and it's always looking to the future which I believe is bright. Keep smiling and giving thanks my friends! See you around town.

God Bless,

John Keizer, Board Chairman
